The Red Umbrella

by Pastor Ed Rutherford

As the drought continued for what seemed an eternity, a small community of mid-west farmers were in a quandary as to what to do. The rain was important not only in order to keep the crops

healthy, but to sustain the townspeople's very way of living. As the problem became more urgent, the local church felt it was time to get involved and planned a prayer meeting in order to ask for rain.

In what seemed a vague remembrance of an old Native American ritual, the people began to show. The pastor soon arrived and watched as his congregation continued to file in. He slowly circulated from group to group as he made his way to the front in order to officially begin the meeting. Everyone he encountered was visiting across the aisles, enjoying the chance to socialize with their close friends. As the pastor finally secured his place in front of his flock, his thoughts were on the importance of quieting the crowd and starting the meeting.

Just as he began asking for quiet, he noticed an eleven year-old girl sitting in the front row. She was angelically beaming with excitement and laying next to her was her bright red umbrella, poised for use. The beauty and innocence of this sight made the pastor smile to himself as he realized the faith this young girl possessed that the rest of the people in the room seemed to have forgotten. For the rest had come just to pray for rain...she had come to see God answer.

Love You,

Pastor Ed

Children's Ministry

This month we are looking forward to a lot of fun and exciting stuff. First off our very own Missionettes and Royal Rangers will be returning on Sept 6th. Both programs meet on Wednesday evenings from 7-8 pm. All young boys and girls are welcome to come and participate in these awesome opportunities to study the word of God.

Also coming in the month of September for KidZone is our new theme Bible Boot Camp! This will be a fun and exciting way to condition kids about the Bible. Lessons will consist of where the Bible came from and why it's important, creation and the first humans, Abraham and his family and lastly how to do your best! Boot Camp will be run by a team of our Bible Quizers as well as our usual KidZone team. We want to see all little campers attend this fun and challenging camp! Boot Camp will start on September 10th during the 10:00am service.

Royal Ranger Character

Timmy had missed a chance today. As he lay in bed he thought about it. All his friends made sure he wouldn't forget what he just did today. At bedtime, he found himself all worked up about this and then he decided that what he needed to do was to pray, and that he did. As he completed

his prayer Timmy was on his way to dreamland, the events of the day no longer a burden to him. He knew he did the right thing and he went to bed that night with God's comforting hand upon his little shoulders.

You see earlier that day at school he and some of his friends were playing at the school yard when Timmy noticed a beat up and folded fifty dollar bill looking like it could have fallen from someone's pocket. As he bent down to pick it up, his friends started telling him how lucky he was. Some of them started commenting on what they could do with the found money. His friends thought that Timmy would be just like them and keep the money for himself. What Timmy did next actually surprised them.

He took the money straight to the principal's office and turned it in. Though the principal was very pleased at this, his friends were not. They actually called him foolish for turning such an amount in. After some time, Timmy started thinking that

perhaps they were right, until he went to bed that night and prayed and then he knew he did exactly as he should have.

Kids, there is something worth many times more than mere material things, it's called character. You can't see character but you can see the effects of it on people. Character determines that you do the right thing even when no one else does. It also makes you do the right thing even when no one is watching. After all, let's not forget that God sees everything anyway.

For boys from the age of five and above who want to know more about character and the things that are important to God, come join us at Royal Rangers every Wednesday night at 7pm here at the church. We're starting a new session in September.

Just remember, at Rangers, it's not just a matter of learning things like this but it also matters that we have fun doing it. If you have any questions, feel free to ask any us Royal Ranger commanders (Cmdrs Gabe, Ron, Archie, Bear and Greg). God bless you all.

Royal Rangers is a ministry dedicated to the equipping of boys to be the future men of the church and of society. At Orange Hills, our Rangers meet on Wednesday nights at 7:00 p.m.

The idea is simple. Be still and know...that's all there is to it. With everything in this world competing for our attention, God simply calls out and asks us to be still, and that's the message of See You at the Pole this year.

With the school year beginning, and all things being up in a frenzy, See You at the Pole is a student-initiated, student-led program that encourages starting off the school year off by coming together as a community of believers, and praying. Please be in prayer for our students as they prepare for this year's See You at the Pole on September 27 at 7:00 AM.

Along with that, don't forget to join us for all of the awesome upcoming activities we have in September!

New College Group! Kick-off Sept 8th

This fall we are starting a new college group for ages 18-25. We are looking to bring together young adults with a common goal of growing close to God and to each other.

Our first meeting is on the **September 8th** at the Mobley's. We are looking forward to worshipping, praying, and looking to the Bible for answers to key issues in that many of us face while attending college. We will also be enjoying a great meal.

If You are between the ages of 18 and 25 or know someone who is, we would like to see as many people be a part of this group as possible.

For questions, directions, or information please feel free to contact David Ramirez or Pastor Brian in the Church Office. God Bless!

Bible Quiz Teams Forming for the New Season

We are in the process of forming new teams for both JBQ and TBQ for the upcoming season. Come and be a part of these exciting ministries!

Junior Bible Quiz is meeting on Sunday evenings at 6:00 P.M. while the teens meet Sunday after evening service, Tuesday and Thursday evenings @ 6:30. Teen quiz is available for grades 7-12. Junior Bible quiz is for grades 1-6. Come join us, it will change your life!

Teen Team

Have you ever noticed that each time you read the Bible you see something different that you did not notice before? Imagine what you would see in the Word, if you not only read a chapter each day for a week but memorized and quoted it. This year our teens are studying the book of Acts. Most teens can memorize 5 verses a day in less than half an hour. This small investment of time can change your life.

Junior Bible Quiz Team

Junior Bible quiz is a set of 576 questions that outline basic Assembly of God Doctrine. The questions are the same every year so a quizzier can work at their own pace and master a section of the questions each year. Learning these Bible facts gives our students a strong foundation of Bible knowledge. The benefit spreads to the whole family as parents and siblings learn from reading questions to the quizzers.

Last year we fielded four Junior Bible Quiz teams and would like more for this year. Our A-team performed well beyond expectations, finishing second in our region (Arizona, California, Nevada and Colorado) and going to Springfield to compete in nationals. The team will have three returning members and will be looking you to fill in the blanks.

How Can I Help?

Many of teens quote their material daily. We need people to listen to them. If you have time a couple days a week when you could call and listen to a quizzier quote please let us know.

Women's Ministries encompass all of the ways women minister. Whether it is to a friend or neighbor with hospitality or prayer or in the church community, women have always had a heart of serving others. I pray that our Women's Ministries group will be a blessing to you and that you will truly become the woman God wants you to be.

Our kick-off meeting will be held at 6:30 p.m. on Thursday, September 7th with a pot-luck dinner and a very special speaker! Mary Mahon, missionary to Argentina will be sharing with us. Plan to come, bring your favorite dish, and a friend.

The fall retreat at Pinecrest (near Lake Arrowhead) will be the week-end of October 6th – 8th. I will have a sign-up sheet in the foyer for reservations and your \$25 deposit. The balance of \$85 will be due the 24th of September. Remember, the cost includes two nights, six meals, and the ministry of Candice Tolbert.

Plan to come and spend a week-end up on the mountain with the Lord. Another benefit of going is getting better acquainted with other ladies in the church. Retreats are always a wonderful experience.

Our theme for this year is Ephesians 2:10, which proclaims that we, the redeemed, are truly God's masterpiece. You are very special to Him.

I look forward to working with you again this year. Let's make 2006/2007 the best year ever for Women's Ministries!

Meet Russ and Candi Shupe

Russ and Candi Shupe have served the Lord here at Orange Hills in many capacities. Candi works in our Outreach Ministry addressing, packaging and mailing out the hundreds of CD requests we receive each week. Russ serves as an usher, he steps in as host, making coffee and picking up donuts whenever asked to do so. We are so thankful for Russ and Candi and their dedicated service here at Orange Hills. God bless you both!!
